

Schiller, Delicately Yours

(feat. Kim Sanders)

Can it be that we were mistaken
Could it be that i was wrong
Is it too late to rescue this or
Have we finished what weve begin

Im not so sure
Im not so elegantly prepared to
Im just so hungry
Im just so - delicately yours
Delicately yours...

Did i rush here for no reason
Do i plead or wander on

Im not so sure
Im not so elegantly prepared to
Im just so hungry
Im just so - delicately yours
Delicately yours...

sincerely -
caressingly -
delicately your
