

Schiller, Dream Of You

I've been here all the time
as far as i know doing right
i've always waited for the moment
that you would come through my door
but this brought loneliness ... so far
i lay my hand onto my heart
is this a life i want to live?
is this the dream i had of you?

... the dream i had of you?

now i'm standing here alone
waiting on my own
for something that will fill the emptiness inside...
the moment that you're mine
bit this is loneliness ... i know
i lay my hand onto my soul
is this what life has got to give?
is this the dream i had of you?

... the dream i had of you?
