Schiller, I Feel You

I feel you... (I feel...)

I feel you
In every stone
In every leaf of every tree
You've ever grown

I feel you...
In everything
In every river that might flow
In every seed you might have sown

I feel you...

I feel you
In every stone
In every leaf of every tree
That you ever might have grown

I feel you...
In everything
In every river that might flow
In every seed you might have sown

I feel you...
I feel you

I feel you
In every vein
In every beating of my heart
Each breath I take

I feel you... anyway
In every tear that i might shed
In every word i've never said

I feel you...
I feel you

I feel you
In every vein
In every beating of my heart
In every breath i'll ever take

I feel you... anyway
In every tear that i might shed
In every word i've never said

I feel you...
I feel you

I feel you...
