## Schiller mit Hepner, Leben... I Feel You

(feat. Peter Heppner)

I feel You... In every stone In every leaf of every tree youre ever grown (That you ever might have grown)

I feel you... In every thing In every river that might flow In every seed you might have sown

I feel you... In every rain In every beating of my heart Each breath i take (In every breath ill ever take)

I feel you... Anyway... In every tear that i might shed In every word ive never said

I feel you...
