

Schism, Hey Dude, I Fucked Your Mom Last Night

You laughed when you stole my girlfriend,
I cried all through that weekend,
But guess what? That's all right,
Cuz, Hey dude, I fucked your mom last night,

Hey dude,
Hey dude,

I was down so I went for a pizza,
She was there but I didn't even see her,
She said "what's up with you?",
Is there anything that I can do?"

So she took me out to the movies,
And in the back when she went down and blew me,
It was cool,
It was out of sight,
Hey dude, I fucked your mom last night,

Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
And again in the morning,
She called my name when she was cumming,
Hey dude, I fucked your mom last night,
Hey dude,
Hey dude,

Here I am in your parents bedroom,
Your mom says that I'm always welcome,
But just before I say good bye,
Hey dude, I fucked your mom last night,

Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
And again in the morning,
She called my name when she was cumming,
Hey dude, I fucked your mom last night,

You laughed when you stole my girlfriend,
I cried all through that weekend,
But guess what? That's all right,
Cuz, Hey dude, I fucked your mom last night,

Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
And again in the morning,
She screamed my name when she was cumming,
Hey dude, I fucked your mom last,
I fucked your mom last,
I fucked your moms ass right,
Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night,
Hey dude, I fucked your mom last night.
