

Schism, Shoot The Motherfucker In The Head

If someone's fucking with your life,
Go and get a gun,
If someone's screwing with your wife,
Go and get a gun and,

Shoot the motherfucker in the head,
Shoot the motherfucker til they're dead,
Shoot the motherfucker in the head,
Shoot the motherfucker til they're dead,
Shoot that motherfucker in the head,

If someone's driving you insane,
Go and get a gun,
If someone's screwing with your brain,
Go and get a gun and,

Shoot the motherfucker in the head,
Shoot the motherfucker til they're dead,
Shoot the motherfucker in the head,
Shoot the motherfucker til they're dead,
Shoot that motherfucker in the head,

If someone's messing with your mind,
Get a gun!

If someone's standing in your way,
Go and get a gun,
If someone's fucking up your day,
Go and get a gun and,

Shoot the motherfucker in the head,
Shoot the motherfucker til they're dead,
Shoot the motherfucker in the head,
Shoot the motherfucker til they're dead,
Shoot that motherfucker in the,
Shoot that motherfucker in the head,

In the head,
In the head,
In the head,
In the head.
