

School Boy Humor, Hey Miss Wright

So trust me baby
when I said maybe
we can talk
about what we both believe.
Burned and broke
we talk for hours
about what we learned,
about what we lost.
and I know
that this will break your heart,
but go ahead
and shout it.
You were in love but now you're hurting.
Take my strength, a vacant burden.
(Take my strength)
(Take my pain)
So trust me baby
when I said maybe
we can talk
about what we both lost.
You make it so hard
to realize what we had is gone.
(To realize what we had is gone)
Saying things that
you don't mean,
it tears me
it tears me
From the edges
I will scream,
"Can you hear me,
are you listening?"
Let's talk trust (tonight)
(You said these feelings were forever,
but I know that you lied to me)
(You don't know what you do)
(You don't know what you do to me)
