## School Boy Humor, Remedy for love

" The dreams that keep me here are not worth it." Learn to love your fears. I'm sorry. " These dreams that fall apart are not worth it." Learn to love these years forever. This is your life. This is your time. This is the only time you have to make it. The way you move, it's the remedy for love. The way you breathe, it's the cure from above. "The lies that hold me down surround me." Learn to love the truth 'cause it's perfect.
