

# Scissor Sisters, Take Me Out

So if you're lonely  
You know I'm here waiting for you  
I'm just a crosshair  
I'm just a shot away from you  
And if you leave here  
You leave me broken, shattered I lie  
I'm just a crosshair  
I'm just a shot then we can die

I know I won't be leaving here with you

(I say) I say don't you know  
(You say) You say you don't you know  
I say, I say take me out

I stay, you don't show  
Don't move, time is low  
I say, I say take me out

(I say) I say don't you know  
(You say) You say you don't go  
I say, I say take me out

If I move this could die  
If eyes move this could die  
I want you, I want you to take me out

I know I won't be leaving here  
I know I won't be leaving here  
I know I won't be leaving here  
I know I won't be leaving here  
With you

(I say) I say don't you know  
(You say) You say you don't know  
I say, I say take me out

If I wait this could die  
If I wane this could die  
I want you, I want you to take me out

If I move this could die  
If eyes move this could die  
Come on you, come on you  
Take me out

I know I won't be leaving here  
I know I won't be leaving here  
I know I won't be leaving here  
I know I won't be leaving here  
With you
