Monday, I thought I saw him smile.
Tuesday, I caught that look in his eye,
as he was walking by.

Wednesday, was when he asked me out.
Thursday, I was left in no doubt
about the way I felt,
and now I'm not alone, because I know...

I love him, that's for sure,
and I'll never let him go.
Ba-dup-bup-baya-ba-da-bup, baaah
Never felt this way before;
not afraid to let it show.
Is it really a wonder,
the spell I've been under
has no cure?
I love him, that's for sure.

Friday, I just couldn't wait.
Saturday, we stayed out until late,
and he will remain
someone to call my own, because I know...

I love him, that's for sure,
and I'll never let him go.
Ba-dup-bup-baya-ba-da-bup, baaah
Never felt this way before;
not afraid to let it show.
Is it really a wonder,
the spell I've been under
has no cure?

I love him, that's for sure,
and I'll never let him go.
Ba-dup-bup-baya-ba-da-bup, baaah

Is it really a wonder,
the spell I've been under
has no cure? I love him, that's for sure.

Ba-dup-bup-baya-ba-da-bup, baaah
Ba-dup-bup-baya
Ba-dup-bup-baya-ba-da-bup
Ba-dup-bup-baya

And now I'm not alone,
because I know...

I love him, that's for sure,
and I'll never let him go.

Ba-dup-bup-baya-ba-da-bup, baaah
Never felt this way before;
not afraid to let it show.
Is it really a wonder,
the spell I've been under
has no cure?

I love him, that's for sure,
and I'll never let him go.
