

Scooter, Apache, rock bottom!

Check,one two

Aahhh

take care to get what you like
or you will be forced to like what you get!
right?!

I flick the switch

2000 volts of lyrical tricks, yeah
discharge hard like lightning quick
and hear the tick, you got it ?

but before you hear the tock

there`s a new flex I drop

from my frontal lobe

`til the microphone explodes

love to rock bottom beats for the flicks

to hibernate and syncopate but I`m still in the mix

come on

rock bottom, yeah

rock bottom

come on

I`m gonna blow up big,

while u still on the bottom of the charts like a twig, yeah

it`s lonely on the top, the champ is here

for the lyrics I drop

I pump kinetics, unintentional malice

wanna battle one of us is ending up in God`s palace

back off deadly like black coffee,

long as I got lungs and a knot you can`t stop me

rock bottom, yeah

join the jams!

come on, yeah

back on the track

nice and loud!

I`m ice

the man that kicks-in-the-door

my mouth is gonna gun you down

I`ve never needed pistols before

you better stick to the floor

rock bottom

rock bottom

join the jams!

right!
