Scooter, Burn The House

Burn the house
There's a party in the place
Rock the beat
Move on up and feel the bass
Big MC's gonna rock the microphone
And our beat will show you
Show you how to move
So rock the house
And come on over
Big MC's gonna rock the microphone
And our beat will show you
Show you how to move
Burn the house
Burn the house
Burn the house
Serious Rhythms
