

# Scooter, Call Me Ma?ana (Heavy Horses Radio)

Las Rocas adonde siempre ibamos, Manana  
Start it right!  
Keep it up  
Yeah, I used to say  
When we were starting up, now I represent  
It's still the busy job, ready to explore  
And check the microphone  
Now, back on the floor  
I want to see you soon!  
Rockin' the business  
So come on, and check this  
Get up tonight  
We gonna make it right  
So Call me Manana!!, Manana  
Get up!!  
Yeah, I've got some lyrics, some lyrics for ya  
Now I represent, since the day I saw ya  
Yes, I'm the man, behind the mike  
Live and direct, into your mind  
Rockin' the business  
So come on, and check this  
Get up tonight  
We gonna make it right  
So Call me Manana  
Get up!  
Yes, push the beat for this jam  
We have a question.....!!  
Is anybody out there???  
I wanna see ya  
Clap your hands, push the beat for this jam  
Yeaaahh, one more time  
Aaaaaahhhhh, get up!!!!!!  
Come on, HARDCORE, Manana!!!!  
Adios!!
