

Scooter, I Keep Hearing Bingo

A never-ending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do, and I wanna be with you

A never-ending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do, and I wanna be with you

A never-ending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do, and I wanna be with you

Boom shakalak
Once again we are back
Got the drop drop ever
As I chop chop never
Explain or complain
As I still block the top
Got the key to unlock
And the brain to unchain

Drop drop

I keep hearing bingo

A never-ending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do, and I wanna be with you

A never-ending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do, and I wanna be with you

Hire and fire
Freed from desire
Fast on the wire
Like a dyson dryer
Our sound is sick
Solid like a brick
My dog is a dingo
I keep hearing bingo

Did it with a teacher
She was hot like salsiccia

Chop chop

Yeah

A never-ending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do, and I wanna be with you

A never-ending dream, a dream of you
I believe I receive a sign of you
