Uncore, hardcore Rock you down to the floor Posse saw ya on the border Jungle jumper under order

Uncore, hardcore Rock you down to the floor Posse saw ya on the border Jungle jumper under order Every minute, every hour, got the power Take a shower, brand stuff Screaming lord, wickend and tough

Uncore, hardcore Rock you down to the floor Posse saw ya on the border Jungle jumper under order Every minute, every hour, got the power Take a shower, brand stuff Screaming lord, wickend and tough

(Right now, say lord have mercy)

I've got the money I've got the place You've got the figure You've got the face Let's get together We're jumping all over All over the world

(Singing... Jumping all over the world)

I've got the music I've got the lights You've got the figure Full of delights Let's get together We're jumping all over All over the world

(Let me hear you... Jumping all over the world)

I've got the position I've got the name You've got the power To drive me insane Let's get together We're jumping all over All over the world

(Everybody... Jumping all over the world)

I've got the money I've got the place You've got the figure You've got the face Let's get together We're jumping all over All over the world

(All together now)

Uncore, hardcore
