

# Scooter, My Eyes Are Dry

No one tears for the creatures of the night  
No tears  
My eyes are dry  
Good bye  
No tears  
No tears  
No tears  
Un, deux, trois, quatre

So like they say  
Every dog has its day  
So I just pray  
For the days of my youth  
To meet my moment of truth  
No tears  
No tears  
No tears for the creatures of the night  
My eyes are dry  
Good bye
