

Scooter, Nessaja

[Pitched voice:] Always lived my life alone,
Been searching for the place called home.
I know that I've been cold as ice,
Ignored the dreams, too many lies.
Somewhere deep inside, Somewhere deep inside me,
I found ... the child I used to be
And I know that it's not too late
Never too late...

3 AM!
The painted cow !
Hiaaaaa!!
You ain't stoppin` us now !
Wonderful human beings
Yeah ! I am the Junglist souldier.

Come On! The rocket launcher stops ya.
It's not a bird, it's not a plane
It must be Dave who`s on the train
Wanna wanna get'cha, gonna gonna get'cha
Tell them that I told ya
YEAH!

[Pitched voice:] Always lived my life alone,
Been searching for the place called home.
I know that I've been cold as ice,
Ignored the dreams, too many lies.
Somewhere deep inside,
Somewhere deep inside me,
I found ... the child I used to be
And I know that it's not too late
Never too late...

Allright
Are you ready ? It's not a game.
I chant so much, I turn you insane.
Wanna wanna get'cha, gonna gonna get'cha
Messing up the area
YEAH!

Come On !
I am the freshman
Messing up the jam !
Turning up the stereo
Join the caravan

Skippy, the rain won`t come !

[Pitched voice:] Somewhere deep inside,
Somewhere deep inside me,
I found ... the child I used to be
And I know that it's not too late
Never too late...
