

Scooter, The Avenger's Back

I interrupt your transmission

To destroy the opposition

I is here

The amateur's back

Other MCs

This night is wack

They don't know the drill

Like my lyrical thrills, still

To be continued

Once again

Are you my foe?

Or can I call you friends?

Stepped up in the site for all the way to the end, yeah

Knock on wood

Knock on wood

Yeah

On the M.I.C.

I started to flex

Bad boy DJ rough on the decks

I is here

The amateur's back

Other MCs

This night is wack

Creep on the rhythm

Smooth like a spider

Now for the mind

...

To be continued

Once again

Stepped up in the site for all the way to the end, yeah

Knock on wood

Knock on wood

Aaaaa...

Come on

Yes

Knock on wood

Knock on wood

Woow...

Woow...
