Scorpions, I'm Leaving You

(Rudolf Schenker, Klaus Meine)

Ooh, girl, I'm leaving you
Yes, I'm leaving you
I've got to go tonight
Ooh, girl, I'm leaving you
Yes, I'm leaving you, I've got to go
I can't stay

You shouldn't feel so blue
Shouldn't feel so blue
When I go tonight
Baby, you shouldn't feel so blue
Shouldn't feel so blue, when I'm gone
I can't stay

Keep me in your mind till I
Come back to love ya
Keep me in your mind till I
Come back to take you worlds away,
to take you worlds away, baby

Ooh, girl, I'm leaving you
Yes, I'm leaving you
I've got to go tonight
Baby, you shouldn't feel so blue
Shouldn't feel so blue, when I'm gone
I can't stay

Keep me in your mind till I
Come back to love ya
Keep me in your mind till I
Come back to love ya
Keep me in your mind till I
Come back to love ya ...
