Scorpions, Lady Starlight

(Rudolf Schenker, Klaus Meine)

Walking through a winter night, Counting the stars And passing time I dream about the summer days, Love in the sun And lonely bays

I see the stars, they're miles and miles away Like our love, On one of these lonely winter nights

Dreaming through a winter night, Memories of you are passing by It seems to me like yesterday I think you knew I couldn't stay

I see the stars, they're miles and miles away Like our love Lady starlight, help me to find my love Lady starlight, help me tonight Help me to find my love

Walking through a winter night, Counting the stars And passing time Snow dances with the wind I wish, I could be with you again

I see the stars, they're miles and miles away Like our love Lady starlight, help me to find my love Lady starlight, help me tonight Help me to find my love

Lady starlight, help me tonight Help me to find my love

Lady starlight, help me tonight Help me to find my love
