

Scorpions, Living For Tomorrow

(Music: Rudolf Schenker / Lyrics: Klaus Meine)

I'm still living for tomorrow
I'm living for today

Let's make this world
A better place to live
Start to take
Start to give

Love's got the power
To get it done
To stop the pain
Of a killing gun

And even if you say
We're gonna die today
I'm still living for tomorrow
I'm living for today
Cause love will find a way my friend
Whatever it will take
I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
To make this world a better place

Let's make this life
A better life to live
Stop to hate
Learn to forgive
Even power can kill
The human race
If we gave life
A human face (a human face)

And even if you say
We're gonna die today
I'm still living for tomorrow
I'm living for today
Cause love will find a way my friend
Whatever it will take
I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
To make this world a better place (a better place)

And even if you say
We're gonna die today
I'm still living for tomorrow
I'm living for today
Cause love will find a way my friend
Whatever it will take
I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
To make this world a better place

I'm still living for tomorrow
