

Scorpions, Moment Of Glory

(Music: Klaus Meine; Lyrics: Klaus Meine)

A moment of glory called evolution
Could I see the world with the eyes of a child
A new beginning, a moment of freedom
Like angels are singing a song full of joy

This Side Of Heaven
Belongs To The Children
I will be there, when the future arrives

A moment of glory called evolution
Could I fly away like a bird in the Sky
No limitation, a new inspiration
A World that is free just as free as my mind

Communication
A new destination
The planet of visions is calling tonight

Another thousand years seem so long
I'm just a passenger
And the ride ride has just begun

Moment of glory
A moment of glory called evolution
Could I see the world with the eyes of a child
A new beginning, a moment of freedom
Like angels are singing a song full of joy

This Side Of Heaven
Belongs To The Children
I will be there, when the future arrives

Moment of glory
