

Scorpions, Soul Behind The Face

(Music: Rudolf Schenker, Lyrics: Klaus Meine)

Would you care for me if I was deaf and blind
Would you hear my voice if I was always quiet
Would you hold my hand if I was going to fall
Would you cry for me would you know my name at all

Would you be there if I was on the ground
Would you be my friend if no one was around
Would you hold me close if I was in the cold
Would you pray for me would you know my name at all

Would you care would you be there
For the soul behind the face
Would you love me for what I am

Would you care would you be there
For the soul behind the face
Would you love me for what I am

Would you care would you be there
For the soul behind the face
Would you love me for what I am

Would you care would you be there
For the soul behind the face
Would you love me for what I am

Would you love me for what I am
Would you love me for what I am
Would you love me for what I am
