

# Scorpions, This Time

(Music: Matthias Jabs; Lyrics: Matthias Jabs)

I wanna know what you've got to say  
Don't wanna wait any longer  
I feel a shook up since you walked my way  
You make me feel so much stronger

Hey little baby  
I wanna go your way

This time  
I want to disregard this feeling of tainted love  
This time  
Don't wanna be a part of playing the game of higher love  
When you're mine

Now you see what you've done to me  
Don't wanna wait so much longer  
I feel sideways up since you walked my way  
My feel for you keeps getting stronger

Hey little baby  
I wanna go your way

This time  
I want to disregard this feeling of tainted love  
This time  
Don't wanna be a part of playing the game of higher love  
Just make you mine
