

Scott Bakula, Somewhere In The Night

On the day I walked away,
All the blue rolled into gray.
Now in the dark, alone I lay.
Should have stopped,
But I could never ever stay.

Somewhere in the night,
Inside my dreams you burn so bright.
And I'm with you there and everything's alright.
Somewhere in the night,
Before the darkness turns to light.
Let me love you there, somewhere in the night.

Second chances, I won't get.
Wouldn't dare to hope and yet.
Everywhere I turn I see your silhouette
Been so long but I never will forget.

Somewhere in the night,
Inside my dreams you burn so bright.
And I'm with you there and everything's alright.
Somewhere in the night,
Before the darkness turns to light.
Let me love you there, somewhere in the night.

Time after time, I find that I'm thinking about you.
Up on the hill I see you still but I just can't reach.
Who would answer your prayers?
Who would wait by the stairs?
Not Me.
Not Me.

Somewhere in the night,
Inside my dreams you burn so bright.
And I'm with you there and everything's alright.
Somewhere in the night,
Before the darkness turns to light.
Let me see your face.
Feel your warm embrace.
Let me love you, somewhere in the night.
