

# Scott Grimes, Best Days Of My Life

The nights were so long it was what we made it  
I can't understand why everything came to an end  
Our love was so strong I'll never forget it  
We were one in the same and I watched it all go by

The day we made love upon the rooftop  
I swore to myself, we'd always be here together  
But that's not enough times are always changing  
We were only so young we had our reasons why

## CHORUS

But still I wonder if we'll ever meet again  
Only time will tell the end  
They were the best days of my life  
The best times that I had  
The best days of my life, well they ended so sad  
How could we change what was right  
We didn't care what people said

Yeah, the best days of my life I spent with you

Livin' so free who couldn't blame us  
Well I understand, why everything came to an end  
Hey now, our love was so strong, I'll never forget it  
We were one in the same, and I watched it all go by

## CHORUS

They said we were nothing but one in the same  
Oh, we bled on our lives  
We were willing to die  
And now that I know that there's no one to blame  
That's not right

## CHORUS

Yeah, the best days of my life I spent with you (x3)
