

Scott Krippayne, I'm Not Cool

Some people tell me that I look kind of funny
My nose is red and the braces didn't work at all
They say the clothes I wear are all out of fashion
I don't fit in and should be shopping at a different mall
I studied classical piano when I could've been playing guitar
I used to drive an El Camino and I'm not even sure it's a car

(chorus)

I'm not cool but that's okay
My God loves me anyway
I'm not cool but that's alright
I'm still precious in His sight
I'm not cool but I don't care
How I'm supposed to do my hair
I'm not cool but that's okay
My God loves me anyway

It doesn't matter if I know all the lingo
He doesn't mind if I'm not hanging with a certain crowd
Some people still believe in building image
But I am fine and that's a worry I can do without
I used to wish I was athletic but football was never my game
I met some friends in mathematics but no one can spell my last name

chorus

He says that I am one of a kind
And I don't have to try to be somebody else
He believes in me and says I'm free to be myself
I can be myself

chorus
