

Scott Matthew, Surgery

Transplant my heart
Into yours
And we'll go through helen highwater
Transplant my heart
Gives me the kicks
But we're pumping
Like machinery

All this change
Clean incision to the brain
Baby, cut me open, re-arrange
Healing hands have me
Medicated, justilated
Cut me open
Still this pain

It's life
It's life
Saving surgery

It's life
It's life
It's life
It's life
Saving surgery
