

Scott Stapp, Sublime

I will follow you through heaven, earth and time
Will you be there for me when I reach the end of the line
So can you guarantee
For all eternity
Sublime...sublime

If we just carry on
We will find a way
If it's our destiny
Can you and me just be
Sublime!

Will you follow me a shoulder's sometimes nice
I will be there for you when a safety net feels right
So give your hand to me
When you need anything
Sublime...Sublime

If we just carry on
We will find a way
If it's our destiny
Can you and me just be
Sublime!

Hush now darling don't you cry
Every little thing is gonna be alright
Hush now child don't say a word
Trying to sing a song bout heaven on earth

If we just carry on
We will find a way
If it's our destiny
Can you and me just be
Sublime!
Be Sublime!
