## Scott Stapp, Sublime

I will follow you through heaven, earth and time Will you be there for me when I reach the end of the line So can you guarantee For all eternity Sublime...sublime

If we just carry on We will find a way If it's our destiny Can you and me just be Sublime!

Will you follow me a shoulder's sometimes nice I will be there for you when a safety net feels right So give your hand to me When you need anything Sublime...Sublime

If we just carry on We will find a way If it's our destiny Can you and me just be Sublime!

Hush now darling don't you cry Every little thing is gonna be alright Hush now child don't say a word Trying to sing a song bout heaven on earth

If we just carry on We will find a way If it's our destiny Can you and me just be Sublime! Be Sublime!
