

# Scott Walker, Best Of Both Worlds

Best Of Both Worlds, That's what you want All your own way,  
That's not my way And I won't share you, I couldn't fare to It and  
time for you to choose Which one you'd rather lose Could you  
love me, And forget me Are you sorry, That you've met me? What  
we've been through, Means nothing to you I can't satisfy you You  
want Best Of Both Worlds Make your fickle mind up I won't stay  
while you enjoy Best of Both Worlds I have loved you Since I  
found you You belong here, Just look around you Keep your true  
love, Or take your new love You must choose between us, You want  
Best Of Both Worlds Make your fickle mind up I won't stay while  
you enjoy Best Of Both Worlds You've got to choose between us  
You just can't have the two of us Make your fickle mind up I  
won't stay while you enjoy Best of Both Worlds Best of Both  
Worlds Best of Both Worlds Best of Both Worlds
