Scott Walker, If You Go Away

If you go away
On this summer day
Then you might as well
Take the sun away
All the birds that flew
In the summer sky
When our love was new
And our hearts were high
And the day was young
And the night was long
And the moon stood still
For the night bird's song

If you go away

But if you stay I'Il make you a day Like no day has been Or will be again We'Il sail the sun We'Il ride on the rain And talk to the trees And worship the wind

Then if you go I'Il understand Leave me just enough love To fill up my hand

If you go away
As I know you will
You must tell the world
To stop turning, turning
& mp;#039;til you return again
If you ever do
For what good is love
Without loving you?
Can I tell you now
As you turn to go
I& mp;#039;til the dying slowly
& mp;#039;til the next hello

But if you stay I'Il make you a night Like no night has been Or will be again I'Il sail on your smile I'Il glide on your touch I'Il talk to your eyes That I love so much

But if you go I won't cry Though the good is gone From the word goodbye

If you go away
As I know you must
There'Il be nothing left
In this world to trust
Just an empty room
Full of empty space
Like the empty look
I see on your face

And I'd have been the shadow Of your shadow If it might have kept me By your side
