

# Scott Walker, No Easy Way Down

Your toy balloon has sailed in the sky, love  
But now it must fall to the ground  
And your sad eyes reveal just how badly you feel

And there is no easy way down

The view from the cliffs must have been exciting  
And up to the peaks you were bound  
Now you're stranded alone and the path is unknown

And there is no easy way down

No, it isn't very easy when you're left on your own  
hey, it isn't very easy when each road you take  
is one more mistake- and there's no-one to break  
you fall and leads you back home

We all like to fly to the heights, love  
Where our fantasy worlds can be found  
You must know it's the end when it's time to descend

And there is no easy way down

And there is no easy way down..
