

# Scott Walker, Someone To Light Up My Life

Where shall I look for the love to replace you?  
Someone to light up my life  
Someone with strange little ways  
Eyes like the blue morning haze  
Someone with your laughing style  
And the smile that I know will keep walking me endlessly

Sometimes in stars or the swift flight of seabirds  
I catch a moment of you

That&#039;s why I walked all alone  
Searching for something unknown  
Searching for something or someone to light up my life

That&#039;s why I walk all alone  
Searching for something unknown  
Searching for something or someone to light up my life  
Light up my life
