

Scott Walker, Sundown

I can see her lookin' fast in a faded dress
in a room where you do what you don't confess

Sundown, you better take care
If I find you've been creepin' round my back stairs
Sundown, you better take care
If I find you've been creepin' round my back stairs

She's been lookin' like a queen in a sailor's dream
And she don't always says what you really means

Sometimes, I think it's a shame
When I get feeling better- when I'm feeling no pain
Sometimes, I think it's a shame
When I get feeling better- when I'm feeling no pain

I can see her lookin' fast in her faded jeans
She's a hard livin' woman, she's got me feeling mean
Sometimes, I think it's a shame
When I get feeling better- when I'm feeling no pain
Sometimes, I think it's a sin
When I feel like I'm winning- I'm losing again

Sundown, you beter take care
If I find you've been creepin' round my back stairs
