

Scott Walker, You're Gonna Hear From Me

Move over sun
And give some sky
I've got me some wings
I'm eager to try
I may be unknown
But wait til I've flown

You're gonna hear from me

Make me some room
You people up there
On top of the world
I'll meet you, I swear
I'm staking my claim
Remember my name

You're gonna hear from me

Fortune smiles
On the road before me

I'm fortunes child
Listen world you cant ignore me

I've got a song
That wants to be played
Raise up a flag
Begin my parade
Then watch the world over
Start coming up clover

That how it's gonna be
You'll see

You're gonna hear from me
