

# Scott Weiland, Beautiful Day

Leave me here  
I'm okay  
I just got back  
from Hell today

Open doors  
Feeling like  
Hours they pass  
Try to fly

Leaving home  
Steven's gay  
Not much more  
To contemplate

Nothing's changed  
Nothing's real  
Must have more  
Diet pills

Wonder Wonder Wondering  
Have you ever been?  
Ever been?

Beautiful day  
Beautiful day

Everything  
Out of sync  
Who am I?  
Who is she?

We'll stay home  
We're okay  
Safe and sound  
Commiserate

Summer school  
at the astral plane  
One more class  
to levitate

Doing well  
Feeling fine  
Marching late  
Higher light

Wonder wonder wondering  
Have you ever been?  
Ever been?

Beautiful beautiful beautiful  
Beautiful Beautiful Beautiful day
