## Scott Weiland, Pictures & Computers (I'm Not Su

When I'm alone the world's at bay Keeping them still as I slip away But I'm not superman and I'm not every man Have I done the best that I can to generate 'cause I still hate

To revel around and terrorize or sympathize and populate 'Cause I'm just every man who once was a stronger man Who let the queen of his land burn off his cape Now he just waits

Oh, let me be, you take a step and squash on everything Your holy water won't clean those Jimmy Choo's You wear those shoes and then you run around all night

When I'm alone the world's at bay Keeping them still as I slip away But I'm not superman and I'm not every man Have I done the best that I can to generate 'cause I still hate

Oh, let me be, you take a step and squash on everything Your holy water won't clean those Jimmy Choo's You wear those shoes and then you run around all night

Pictures and computers and your broken lies Can't you feel it, breathe it? Scent of lies Run around in coffee bars, you're dressed to thrill I bet you'd love to kill on your way home from Hyde
