

Scotty Don't, You

Where ya goin'
How ya been
I was thinkin' bout the not so way back when
You were hangin'
Back at home
And you didn't know about the word alone
Now I'm not sayin'
That it's so wrong
Cause without it I just wouldn't have this song
There'd be nothin'
To write about
And not other way that I could let it out

Cause it's you
Cause it's you
Yeah you
Yeah you

Now I'm tryin'
To pass the time
Cause for some reason I can't get you off my mind
Seems my clock
Is way to slow
And there isn't anywhere I have to go

Well it's gettin' cold outside
But I don't care cause I'll be back again someday now honey
And we can take another ride
And I wouldn't have it any other way

Cause it's you
Cause it's you
Yeah you
Yeah you
