Scout Niblett, Drummer Boy

and it's not the only one that we'll ever have goes on forever just bringing us back

no mortal man has yet suceeded in climbing the big glass mountain "I know," said the drummer boy "but my heart is stout and determined and i long for adventure yes, I long for adventure,"

so tell me the road that I must follow and I will set forth in the morning

I can't wait 'til the morning I gotta go now
