

# Scratchingpost, Full Throttle

If I had a chance  
I'd get right out of here  
And you and I could go  
and you know that  
I don't think its so weird  
for you and I to go

I think that your all that  
and sometime I think you think I am too  
I think that your all that  
and sometimes I think you think I am too  
I think that your all that  
and sometimes I think you think I am too  
I think that your all that  
and sometimes I think that you know I am too

So whats keeping us  
Its fun to get away  
And leave it all behind  
So whats keeping us  
You said todays the day  
I guess I'm out of time

I think that your all that  
and sometimes I think you think I am too  
I think that your all that  
and sometimes I think you think I am too  
I think that your all that  
and sometimes I think you think I am too  
I think that your all that  
and sometimes I think you know I am too

So its got to be full throttle  
forget about it mammal (?)  
Its gotta be just us this time

So what happen to the master plan in your mind  
I guess it maybe right (?)  
Show me nothing  
That I'm still mixed up inside  
So thanks for the good time

I think that your all that  
and sometimes I think you think I am too  
I think that your all that  
and sometimes I think you think I am too  
I think that your all that  
and sometimes I think you think I am too  
I think that your all that  
and sometimes I think you know I am too

So its got to be full throttle  
forget about it mammal (?)  
Its gotta be just us  
This time
