

# Scratchingpost, Unforgiving Love

Some things wrong but your not talking  
Tell me now or I'll get walking out  
some things wrong here  
One hearts gonna stray

Some things wrong but your not listening  
I can't help but feel I'm missing out  
some things wrong here  
One hearts gonna stray

Unforgiving love  
It's just not enough  
My unforgiving Love  
It's just not enough

Patients wears me thin, I'm sinking  
I can't guess at what your thinking next  
some things wrong here  
One hearts gonna stray

I can feel your hearts not in it  
I don't want it to be finished yet  
some things wrong here  
One hearts gonna stray

(Chorus)

I just wanted to  
Kick around with you  
Spend the day with my best friend  
Spend the day with you

But it doesn't get easier  
No matter what they say  
It doesn't get easier  
To see her everyday

(Chorus)
