

Scream Club, I'm Going Crazy

Whatcha gonna do?
Where ya gonna go?

Whatcha gonna do?
Where ya gonna go?

Ho ho ho

Whatcha gonna do?
Where ya gonna go?

Whatcha gonna do?
Where ya gonna go?

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

Frustration, complications
From the outside it might look like in a dear situation

But I am so angry that I could explode
I was asking for answers but I don't think you know

Search all you want
and it's always the same

This is some real
Excruciating pain

And a struggle to connect
Which I'm not gonna really do (?)

It's like I'm waiting for help
That isn't gonna come through

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

Whatcha gonna do?
Where ya gonna go?

Whatcha gonna do?
Where ya gonna go?

Ho ho ho

Whatcha gonna do?
Where ya gonna go?

Whatcha gonna do?
Where ya gonna go?

'Cause when I stay inside my mind
It is hard to find perspective and be objective all of the time

So I'm beginning to wonder
Am I being too demanding?

Is too much to expect?
Is it too much that I'm asking?

Do I get too sensitive when there's too much to say?
Do I get too upset when you don't write for three days?

I second guess myself
'Cause it's not easy to stop

Do I come across to you as someone I'm not?

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

Whatcha gonna do?
Where ya gonna go?

Whatcha gonna do?
Where ya gonna go?

Ho ho ho

Whatcha gonna do?
Where ya gonna go?

Whatcha gonna do?
Where ya gonna go?

I guess in the end we'll just see how it goes
Where it all stops nobody knows

But that's for the best
'Cause wouldn't it be boring?

To know the end without knowing the story?
No one wants to see the story of me

Going down with the ship
Lost in the sea

Screaming "help me I'm going to drown"
It's like it but there is no one around? (?)

I think that maybe

I'm going crazy

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

I think that maybe
I'm going crazy

Whatcha gonna do?
Where ya gonna go?

Whatcha gonna do?
Where ya gonna go?

Ho ho ho

Whatcha gonna do?
Where ya gonna go?

Whatcha gonna do?
Where ya gonna go?
