

# Scream Maker, Yesterday's Gone

Will you stay with me  
I remember this question  
You were staring at me  
I didn't know what to answer  
This to me is a mystery  
Why it all went wrong  
This to me is a mystery  
Why is it that no

(ref.)

I'm not gonna love you  
All is said all is done  
No more tears wasting time  
I'm not gonna love you  
You will find someone else  
You will lose once again  
I'm not gonna love you  
It's a shame you don't see  
Reasons of losing dreams  
Yes, it is done  
Yesterday's gone

Knock knock to the door of past  
What was then now could not last  
Doors are closed for you and me  
Why it's still a mystery  
This to me is a mystery  
Why it all went wrong  
We're supposed to be  
Why is it that no

(ref.)

I'm not gonna love you  
All is said all is done  
No more tears wasting time  
I'm not gonna love you  
You will find someone else  
You will lose once again  
I'm not gonna love you  
It's a shame you don't see  
Reasons of losing dreams  
Yes, it is done  
Yesterday's gone

Hey! Please understand I was suffering there much too long  
No! Nor do I know what was killing us

(ref.)

I'm not gonna love you  
All is said all is done  
No more tears wasting time  
I'm not gonna love you  
You will find someone else  
You will lose once again  
I'm not gonna love you  
It's a shame you don't see  
Reasons of losing dreams  
Yes, it is done  
Yesterday's gone
