

Screaming Monkey Boner, Opinionation

Keep your opinions to yourself, I said to yourself, just to yourself
Think and do just what you're told, and you won't do nothing else
Keep your opinions to yourself, I said to yourself, just to yourself think
And do just what you're told, and you won't do nothing else

You can believe what you believe, just so long as we all agree
Loose lips sink ships, don't warn the rats of the dirty deeds
Copy and paste, erase a race of educated motherfuckers out of place
Police the street censor the speech to keep a revolution just out of reach
Silence the noise that preaches choice so only sheep and cattle are given voice
Hear the call to raise the wall to keep our evolution down to a crawl

Keep your opinions to yourself, I said to yourself, just to yourself
Think and do just what you're told, and you won't do nothin' else Keep
Your opinions to yourself, I said to yourself, just to yourself think
And do just what you're told, and you won't do nothin' else

We are the music makers, and we are the dreamers of dreams

What makes these days so very strange, the more things change, they stay the same
Lock us up to protect their freedom, take rest out back and beat 'em cause
WE ARE the complication of issues and simple matters
WE ARE a congregation of sinners to burn and scatter
WE ARE in violation of nothing but made to feel that
WE ARE part of the problem if we don't live by this motto

Keep your opinions to yourself, I said to yourself, just to yourself
Think and do just what you're told, and you won't do nothin' else Keep
Your opinions to yourself, I said to yourself, just to yourself think
And do just what you're told, and you won't do nothin' else
