Screaming Trees, Butterfly

Changing memories they fade away The hours and the day While in the sunshine, the sunshine bright I kept you on my mind Cry, cry butterfly Heard it on the wings that you're going to die Cry, cry butterfly And I'm sick and I wanna go home Up to an empty room Four walls around nothing to be found Of empty promises in a lonesome town Let me lay you down Cry, cry butterfly Heard it on the wings that you're going to die Cry, cry butterfly And I'm sick and I wanna go home The changing memories they fade away The hours in the day While in the sunshine, the sunshine bright I kept you on my mind Cry, cry butterfly Heard it on the wings that you're going to die Cry, cry butterfly And I'm sick and I wanna go home Cry, cry butterfly Heard it on the wings that you're going to die Cry, cry butterfly And I'm sick and I wanna go home Well I'm sick and I want to go home That I'm sick and I want to go home
