

# Screaming Trees, Clairvoyance

Clairvoyance (Repeated)  
Wild into the dead of night  
Around the corner I see a light  
See it coming my way run  
Standing on the ground waiting for the sign  
Whoa I can't go on I can't sleep  
I can't last more than another week  
'Cause I know what's coming then  
Forgive my lies, I see it's too much  
Doing all I can not to see your plan  
I know it's no good  
No good to keep you waiting  
Whoa I can't go on I can't sleep  
I can't last more than another week  
'Cause I know what's coming then  
'Cause of my clairvoyance  
Daylight isn't here  
But it's a part of us  
I see it coming my way run  
Standing on the grass waiting for the sun  
Whoa I can't go on I can't sleep  
I can't last more than another week  
'Cause I know what's coming then (repeat)  
'Cause of my clairvoyance
