

Screaming Trees, Straight Out To Any Place

I'm burnin' baby, catch on fire with me
There's a ghost in my head and it's chasing me through my dreams
Oh I want to take a train today
Take it straight to any place
And keep on riding, keep on rolling away
Whoa, yeah
Oh I'm burning baby got no place to go
And just a crawlin' through the weeks to destinations unknown
And doesn't it seem strange that some things never change
Some things never change
Whoa, yeah
Feel burned away
Yeah, I feel burned away
Oh burn baby, catch on fire with me
There's some ghosts in my head
And they're chasing me through my dreams
Yeah I want to take a train today
Take it straight to any place
And keep on riding, keep on rolling away
I feel burned away
Yeah I'm leaving town
In the midnight rain
I feel burned away
