

# Screaming Trees, Wintness

It's taken everything  
Everything i got and it's hung me on the line  
Water rising up over me  
And i think i'm gonna die  
Think i'm gonna die  
I told a lie  
That's what i said  
I told the one you know i'll always keep  
Whose God is mine (3x)  
Whose God is  
The one with the witness  
Shine your lonely light on me  
I'll be there to hold the mirror  
I can take you down with me  
Show you lonely, lonely, lonely  
Death wastes no time it seems  
And it's hung me on the line  
Hung me on the line  
Hard rain fallin' all over me  
And i think i'm gonna die  
Think i'm gonna die  
I told a lie  
That's what i said  
I told the one you know i'll always keep  
Whose God is mine (3x)  
Whose God is  
The one with the witness  
Shine.....
