

# Screeching Weasel, Around On You

You think you've got something over  
some kinda thing over me  
well there's gonna come a day  
when I can leave it all behind if you'd open up your eyes you'd see  
that doing all the stupid things that you do  
means there's gonna come a day  
when you're gonna fade away  
and it's gonna come around on you  
you'll be crying  
slowly dying  
when the day comes creeping up on you  
there will be a day when you won't believe it's true  
it's gonna come around on you
